

Airport Breaks Another Record!

Record Number of Enplanements for First Half of 2018

FOR IMMEDIATE RELEASE

RAPID CITY, SD, 07/23/2018 - Rapid City Regional Airport (RAP) announced another record-breaking milestone in enplanements for 2018. Total enplaned passengers through June, 2018, reached 131,147, a 1.06% increase over the previous record held in 2010 of 129,766 passengers. Enplaned passengers were also up 5.28% over 2017, for the same time period.

“Air Service to the Black Hills region is extremely important to our economy, tourism and economic development. We would like to thank all of our customers for helping to make this milestone happen, along with the hard working staff of the Rapid City Regional Airport, who works 24-7-365 to keep our airport safe and operational,” said Airport Executive Director Patrick Dame.

The Rapid City Regional Airport recently added service to New York/Newark, Saturdays only, through the summer, bringing its total destinations to 11. The airport also has flights to Chicago, Dallas, Denver, Las Vegas, Minneapolis, Phoenix-Mesa, Salt Lake City, and seasonal service to Atlanta, Charlotte, and Houston.
