

David Gustafson

David is a third generation contractor with over 37 years experience in the construction industry. He is currently the President/Owner of Heavy Constructors, Inc. and is responsible for all financial decisions, equipment purchases, and establishing company objectives and goals. Handling all manpower and equipment, project schedules and development, he also serves as a liaison between all parties during the construction process on several current, as well as past, major projects.

With a B.S. in Public Relations and Business Administration, he is a member of the Associated General Contractors of South Dakota serving on multiple committees. He is an active member of the community serving on the YMCA Board of Directors, the Calvary Lutheran Building Committee Board, and the Rapid City Regional Hospital Transformational Campus Board, among others.
