

## **Rapid City Regional Airport Firefighters Achieve Excellence Awards**

RAPID CITY, (9/26/18) – Two Rapid City Firefighters, Nick Lindsley and Captain Tom Bielmaier, each received an Achievement in Excellence Award from the American Association of Airport Executives (AAAE).

AAAE provides on-demand video training on every aspect needed to run an airport. The Achievement of Excellence Award, the highest level available, is achieved by successfully passing 150 tests from a variety of categories related to airport safety.

“Continuous training is a vital component to operating and maintaining a safe and efficient airport,” said Airport Executive Director Patrick Dame. “We are very proud of both Tom and Nick and appreciate our partnership with the Rapid City Fire Department.”
